

Employment First Florida: Year Three

For Today: Feedback on

- Revised logos
- Plans for selection of pilot communities and connection to the Community of Practice (COP)

Process of Revising Logos

- Collected feedback during November meeting and through email
- Met with Beth Romans-Corsi to narrow down what should and should not be included in the revised logo options
- Choice of 3 new logos

Piloting of 2 Regional Level Collaboratives

- Contract requirement: pilot and facilitate the development of 2 regional employment collaboratives comprised of regional members of the Employment First Interagency Agreement and other employment stakeholders
- In January ICI will send a request to the field for regions to be part of the pilots and explain why they should be selected as a pilot site
- During January and February the Collaborative Team will be asked to help select the 2 pilot sites

Connection between Pilots and COP

- Collaborative Team agreed that the topic of the Community of Practice (COP) should be local level collaboration
- The 2 pilot regions will be the COP participants
- In the request to the field it will be specified that the COP will be part of the technical assistance for the pilots

Next Month Expect

- Review of potential pilot communities and selection of the 2 communities (January-February 2015)
- Communication with local level pilot collaboratives (early February 2015)
- Grassroots Group Webinar: January 20, 2015 3pm ET
 - Event information and registration link:
